Price on request

Description

Gilmar Real Estate has the privilege of presenting 107 Los Almendrales in Limonar Alto, a very modern development of 46 homes located in one of the most desirable areas of recent times in the city of Malaga.

Residencial 107 Los Almendrales is located with easy access to the highway and quick communication with the Sancha promenade.

This complex is characterized by an avant-garde design, a magnificent southeast orientation in all its homes and a memory of qualities that will make you enjoy the comfort of living in a home designed for your delight.

We propose a housing project in a single block with two stairwells, a garage and a storage room with homes with 1, 2, 3 and 4 bedrooms.

The main bedrooms are en-suite with large lounges and terraces.

In addition, we have homes on upper floors where you can recreate in your private garden and enjoy a pool and a solarium that are located on the second floor and give you a perspective of the most private area.

The kitchens are delivered fully furnished, tiled and tiled toilets in all homes with Porcelanosa brand finishes, fully installed ducted air conditioning,

Description

exterior carpentry with thermal breaks and efficient construction quality.
