Description

Gilmar offers you this beautiful space, fully equipped to operate as a bar. It is located in the heart of the historic center of Puerto de Santa María, on one of the most central streets with heavy foot traffic, as vehicle traffic is prohibited on the street. The space combines beautiful exposed stone arches and stone walls with a classic 7-meter-long bar made of wood and marble. The kitchen is located at the back, with two rooms that can be used for cold storage and storage. It has two restrooms, one of which is wheelchair accessible. The ceiling is pre-wired to accommodate up to 8 speakers, as the premises are soundproofed. This venue has a great deal of charm that makes it appealing to local, out-of-town, and international customers alike, as it retains all of its original character. It was formerly part of the stables on the estate to which it belongs, making it a living testament to the history of the old houses in Puerto de Santa María.
