Description

GILMAR presents this exclusive detached villa in the prestigious Las Canteras Urbanization, one of the most elite areas of the Aljarafe area of Seville. With a plot of 1,220 m² and 451 m² constructed, this property combines elegance, spaciousness and comfort in a privileged setting. Designed with special attention to detail, this two-storey property has five spacious bedrooms, four main bathrooms and an additional toilet, making it the ideal home for families looking for space and style.

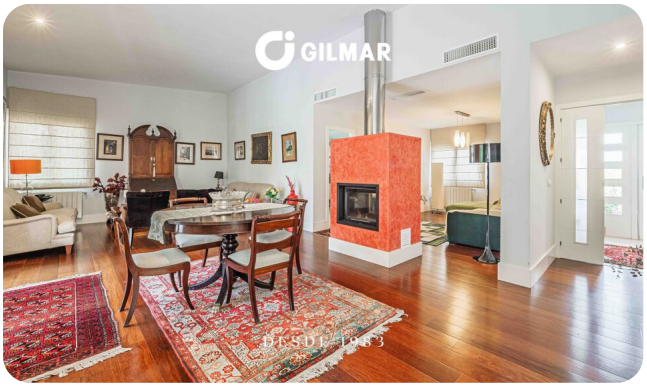

The interior of the villa features high quality finishes, including parquet flooring for warmth and sophistication. In perfect harmony with its design, the exterior features a private garden.

Located in a privileged setting, Las Canteras Urbanization offers 24-hour security, a social club, communal swimming pool and sports courts, providing an exclusive and secure lifestyle. Its proximity to Tomares and Seville city ensures an excellent connection to all the services and amenities you may need
