Description

Bright 2-bedroom, 2-bathroom apartment with a south-facing terrace and views over the gardens to the sea.

The layout is very practical. The spacious, light-filled living and dining room opens directly onto the terrace. There is a separate kitchen, two double bedrooms and two full bathrooms, both with a bathtub. The main bedroom also opens onto the terrace and enjoys the same views.

The terrace is one of the highlights of the home. It is enclosed with Lumon glass curtains, so you can enjoy it all year round: fully open in summer and sheltered in winter, like an extra room. Its southern orientation means it gets sunshine all day long.

An underground parking space is included in the sale.

The apartment is set in a well-kept complex with landscaped gardens and a communal swimming pool. It is just 1.5 km from [the beach / the town centre], with all amenities close at hand.

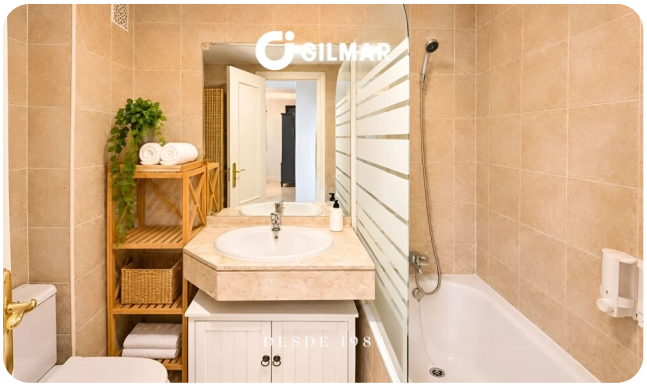

An ideal home, whether as a permanent residence or a holiday home on the coast.
